Dear Veteran,

Honor Flight San Antonio (HFSA) is dedicated to honoring our veterans for the sacrifices they have made to keep our nation safe by providing them with an all-expense paid trip to visit the memorials in Washington D.C. which symbolize the spirit, sacrifice, and commitment of these veterans.

Honoring our nation’s veterans with a journey of remembrance and appreciation.

Trip Criteria:

- HFSA is an overnight trip flying on a commercial flight therefore, we require that you are medically, functionally, and cognitively safe to make the trip. The safe travel of the veterans is our number one priority.

Basic Information:

- Applications are reviewed and recorded in the order in which they are received.
- Top priority is given to WWII, Korean veterans, and those veterans who are, doctor certified, terminally ill.
- We fly in the spring and fall.
- We almost always fly on Southwest Airlines (with other passengers) out of San Antonio International Airport.
- Medical personnel travel with the group and are there for your safety and to respond to emergencies. **However, they are not there to provide individual daily personal/medical care.**
Please read over the following criteria that you must meet to be able to safely travel with HFSA:

• You must be a veteran to travel on HFSA.
  • Mail or email a copy of your DD-214, or Military Discharge form (such as SB 52 form) to us with **your social security number blacked out.** Also, send a copy of you in uniform.
    - If you do not have your DD-214, you may request one online at
      • [https://www.archives.gov/veterans/military-service-records](https://www.archives.gov/veterans/military-service-records)
  • You must attend the Pre-Flight Briefing which is held prior to the flight date.
  • You must be able to walk 25 feet (the aisle of the plane) with or without the use of cane and/or walker. You may be asked to demonstrate this at the Pre-Flight Briefing.
  • You must be able to take care of yourself: bathing, toileting, transfer (i.e. moving from chair-to-chair) and eating.
  • If you use a walker, most of the time, you must have a family member who meets HFSA qualifications, to travel as your guardian.
  • If you take memory medication and/or have dementia, **you must have a family member who meets HFSA qualifications, to travel as your guardian.**
  • You will be rooming with another veteran, unless you are traveling with a guardian who is a family member.

_Honor Flight San Antonio reserves the right to deny veteran’s travel if found in noncompliance with Honor Flight San Antonio policies._

Service History

Dear veteran.

The Honor Flight San Antonio (HFSA) Board of Directors and crew have a great love of history and wish to gather and record the military histories of veterans traveling with HFSA.

Not only will this endeavor forever preserve the military history of HFSA veterans but each veteran’s story, regardless of where or how you served, is unique and demonstrates the commitment and sacrifices that were made in order to protect the freedom we enjoy today. We invite you to tell us about your service. Please feel free to add additional pages; the more details you provide, the better!

We also request that you submit a copy of a photograph of you in uniform, if possible, so that we might share it, along with your military information, with our followers. If you no longer have a photo of you in uniform a current photo will suffice.

To help with accuracy, please try to write as clearly as possible; you might enlist the help of family and friends.

Thank you for your time.

Regards,

Honor Flight San Antonio Board of Directors
